

• Module 1: Effective Communication

Task: Write professional emails based on any 5 of the following scenarios. Ensure clarity, conciseness, and a formal tone.

1. Thank you Email

To: topstechno1308@gmail.com

Subject: Thank You for the Valuable Learning Experience at Tops Technologies

Dear Shubham Sir,

I hope you are doing well. I am writing to express my sincere appreciation for the opportunity to be a part of the **Front End Development Training Program at Tops Technologies**. It has been a highly enriching experience that has significantly enhanced my technical knowledge and professional confidence.

The structured curriculum, practical assignments, and real-time project work provided me with hands-on exposure to industry-relevant technologies. I am especially grateful to the trainers, whose expertise and guidance made complex concepts easy to understand. Their continuous support and constructive feedback were instrumental in my progress throughout the course.

Beyond the technical skills, the training also helped me improve my problem-solving ability, teamwork, and project management approach all of which I believe will serve me well in my professional career.

Thank you once again for your dedication to quality education and for creating such a supportive learning environment. I look forward to staying connected and hope to collaborate with your team again in the future

Warm regards,

Patel Swet

Front end development

Bandra Kurla Complex,

Mumbai – 400051,

Subject: Apology for Delay in Project Delivery – “Client Portal Integration”

Dear Sir,

I am writing this letter to extend my sincere apologies for the delay in the delivery of the “Client Portal Integration” module, originally scheduled for 5th August 2025.

The delay was caused by an unforeseen issue identified during the final testing phase. A significant security vulnerability was detected, and we made the

decision to hold the deployment until the problem was resolved to ensure complete data protection and system stability.

We fully acknowledge the inconvenience this may have caused your team and the impact it may have had on your internal workflow. Please be assured that we take full responsibility for the delay and have taken immediate corrective measures, including an upgrade to our QA protocols and deployment process.

The revised and secure version of the module has now been successfully submitted for your review. We remain committed to delivering reliable and timely service going forward and greatly value our partnership with **InnoSys Technologies**.

Once again, I apologize for the delay and appreciate your patience and understanding in this matter.

Sincerely,

Harsh Kumar Patel

3. Reminder Email

To: ayush13@gmail.com

Subject: Friendly Reminder About Saturday Meetup

Hey Ayush,

I hope you're doing well! Just wanted to send a quick reminder about our plan to meet this Sunday, September 7th, at 4:00 PM at Cafe Aroma.

Looking forward to catching up and trying that new coffee blend we talked about last week. No rush, but I thought I'd check in so it doesn't slip your mind.

See you soon!

Take care,

Warm regards,

Swet Patel

4. Asking for a Raise in Salary

To: ayush.purohit@tops.com

Subject: Request for Salary Review Based on Performance

Dear Mr. Sharma,

I hope you are doing well. I am writing to formally request a review of my current salary based on my ongoing contributions to the IT department at **Tops Solutions Pvt. Ltd.** in my role as a **Software Engineer** over the past 18 months.

During this period, I have contributed significantly to the successful development and deployment of the **Customer Relationship Management (CRM) Web Application**, which has streamlined our client onboarding process and improved operational efficiency by 40%. I also worked extensively on optimizing backend APIs, improving response time, and ensuring better data security across modules.

In addition, I have supported junior team members, participated in code reviews, and consistently met project deadlines under tight schedules all while maintaining high coding standards and quality assurance benchmarks.

Given the responsibilities I have undertaken and the consistent performance I have delivered, I believe this is an appropriate time to discuss a potential salary revision. I am confident that my contributions align with the company's vision and performance expectations.

I would be grateful for the opportunity to meet with you to discuss this matter further. Please let me know a suitable time for a brief meeting.

Thank you for your time and consideration.

Sincerely,

Swet Patel

Software Engineer

Tops Solutions Pvt. Ltd

5. Email to Your Boss About a Problem (Requesting Help)

To: s.patel@infotech.com

Subject : Request for Assistance with Delayed Data Integration in Project

Dear Sir,

I hope you are doing well. I am reaching out to seek your assistance regarding a delay we are experiencing in the data integration process for Project . Despite coordinating with the IT team and attempting various troubleshooting steps, the integration is still not functioning as expected, which is affecting our project timeline.

I would appreciate your guidance on how to proceed or if you could suggest additional resources to help resolve this issue promptly. I am also available for a meeting to discuss this in detail at your convenience.

Thank you for your support.

Best regards,

Harsh Kumar Patel
